Producer Certificate for Byggvarubedömningen

Concerning the product:

3225-834301 - AQUALITCOLOR AC-T431-30 WHITE

Akzo Nobel Industrial Coatings are pleased to inform that to the very best of our knowledge, the product correspond to the requirements for the Accepted level, in Byggvarubedömningen's *criteria regarding content and life-cycle aspects version 6.0, section 0 - Declaration of content*. The declaration has been done on the fully hardened product.

Our products contain naturally occurring raw materials, where trace levels of substances might occur; due to natural variations the levels differ. However, since these substances are not intentionally added, they are not part of AkzoNobel Industrial Coatings production testing program and we cannot formally guarantee their absence.
